

Parent Education

LOWER ELEMENTARY PROGRAM

November 17
8:45 AM

*Join us for refreshments and
conversation with our Guides about the
Lower Elementary program*

Audience: Children's House and Lower Elementary families

Theme: The 6-9 year-old plane of development & the continuation of the key tenets of Montessori education in the Lower Elementary program. Those key tenets are:

- The prepared environment
- Didactic materials
- Cosmic Curriculum
- Self-directed learning
- Multi-age classroom community

What to Expect:

- A welcoming environment with light refreshments
- Insights into our Lower Elementary Program from our Guides
- Open Q&A to explore your questions and interests
